

### **Vendor Questions for the Maryland Offshore Wind Energy Facilitation Services RFP**

- 1) Q: In what city or cities do you anticipate the meeting(s) to be held?  
A: Meetings are anticipated to be in Annapolis, but could ultimately be scheduled in Ocean City, Baltimore, or other locations in Maryland.
- 2) Q: Can you provide more information regarding spatial planning needs? Will the meeting facilitation require GIS data preparation?  
A: Meeting facilitation will not require GIS data preparations but will require a familiarity with spatial planning issues such as resolving multiple, conflicting and concurrent uses.
- 3) Q: How long will the meetings last?  
A: For the moment, we anticipate the meetings to be about half a day long. Future meetings may vary in length.
- 4) Q: How many participants do you expect to attend these meetings?  
A: We estimate about 20 participants per meeting but that is only an estimate.
